Live Auction

This is the part of the evening where you can all join in and where the fun starts!

Remember that all the proceeds from tonight's event will go towards funding the linking of the new building with a restored church.

Auction Rules & Procedures

During the evening you will have had an opportunity to view the Auction lots and, if desired, to place a "silent" bid in an envelope. Please put the Lot number on the outside.

For the "live" auction you can indicate a bid to the Auctioneer when asked. If you win an item you will be given a card confirming that you are the successful bidder and giving you details of payment procedure.

You will be asked to leave contact information with the Auction assistant so that we can inform you when funds are cleared for you to redeem the item.
